

- Soft material, good shape
- Good self-fusing performance
- High mechanical strength, strong viscosity
- Excellent service and electrical insulation

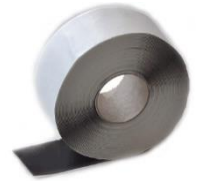

Photo for reference

## Part number

|             |                                                   |
|-------------|---------------------------------------------------|
| PR-TR2-51x3 | EPR rubber tape black 51mmx3mx1.65mm, self-fusing |
|-------------|---------------------------------------------------|

## Performance

|                       |         |
|-----------------------|---------|
| Rating voltage        | 600V    |
| Elongation            | 800%    |
| Tensile strength      | 1.12MPa |
| Dielectric resistance | 21kV/mm |
| Water absorption      | 0.2%    |

## Environment

|                       |              |
|-----------------------|--------------|
| Working temperature   | 0°C to +90°C |
| Temperature emergency | 130°C        |
| RoHS                  | Compliant    |
